• **IN-HOUSE DESIGN AND PACKAGING DEPARTMENT**

U-Mark can customize products for different market segments and easily adapt to customers' packaging needs with quick turnaround time.

• **METICULOUS ATTENTION TO QUALITY**

We believe our quality is the best form of advertising. Our products' performance is proven every day by a demanding customer base, from industrial to professional trades, from retail to arts and crafts applications.

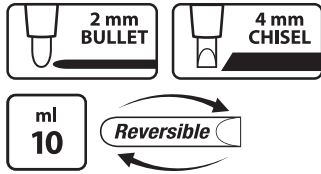

• **MADE IN BELLEVILLE, ILLINOIS**

Designing, testing, prototyping, filling and packaging markers in Belleville, Illinois is not only efficient, it helps keep your costs down, it makes communications easier and simplifies your job: we are a phone call away. Give us a call to discuss a new project, get an order update, or just "talk markers" with us.
